

Curriculum Vitae

PERSONAL DATA:

- **Name** : Adel Fathi Mohammed Moustafa
- **Date of Birth** : August 22, 1981
- **Nationality** : Egyptian
- **Address** : Rabie St. from Gehan St., no 37, Mansoura, Dakahlia, Egypt (Zip code: 35511)
- **E-mail** : Dr_Adelfathi@outlook.com - dr_adel_fathe@mans.edu.eg
- **Website** : www.dradelfathi.net
- **Phone** : *Mobile*: +201061116256
Clinic: (02) (050) 2321172
Fax: (02) (050) 2321172
- **ORCID ID**: <https://orcid.org/0000-0001-7522-0698>
- **Research Gate profile**: https://www.researchgate.net/profile/Adel_Fathi2

LANGUAGE:

English: very good (written and speaking)

COMPUTER SKILLS: very good (Windows, word, net work, power point)

QUALIFICATIONS:

- **Diploma and fellowship in minimal access surgery** from world association of laparoscopic surgeons, Gurgaon, India, November 2014
- **MD degree in general surgery**, Mansoura University, October 2013, with research title (Thoracoscopic assisted surgery in management of esophageal cancer).
- **Diploma in advanced laparoscopic surgery** from Strasbourg – France, July 2013

- **Master degree in general surgery**, Mansoura University, May 2008, Very good, with research title (The role of extended pancreatic surgery in management of pancreatic head carcinoma).
- **M.B., B.Ch.** Mansoura University, faculty of medicine, November 2003, Excellent with honors (18th between colleagues)

PRESENT POSITION:

Since 27/11/2018 - till now: Associate professor of Surgical Oncology, Surgical Oncology Department, Oncology Center- Mansoura University (OCMU).

Since

Since 12/5/2020 – till now: Assistant director of Oncology Center-Mansoura University (OCMU)

EMPLOYMENT:

1/3/2003-28/2/2004:

Rotating Internship, University of Mansoura Hospital, (general surgery, Obs, Gyn, ENT, internal medicine, surgical ER, medical ER, pediatric ER, pediatric ward, cardiothoracic)

4/2005 – 4/2008:

Resident, Departments of Oncology surgery in Mansoura University Oncology Center (OCMU)

31/3/2009 – 23/11/2013:

Assistant Lecturer of Surgical Oncology, Surgical Oncology Department, Oncology Center- Mansoura University (OCMU)

24/11/2013 – 26/11/2018:

Lecturer of Surgical Oncology, Surgical Oncology Department, Oncology Center- Mansoura University (OCMU)

SPECIAL SKILLS:

- In dealing with oncology surgery (ward and emergency management)
- Different laparoscopic surgery procedures: laparoscopic cholecystectomy - laparoscopic splenectomy – laparoscopic appendectomy – laparoscopic nephrectomy – laparoscopic hysterectomy and radical hysterectomy – laparoscopic gastrectomy – laparoscopic colectomy – laparoscopic adrenalectomy – laparoscopic rectal surgery- laparoscopic hernia repair – laparoscopic sleeve gastrectomy for obesity – laparoscopic abdominal L.N. biopsy – laparoscopic pelvic and para-aortic lymphadenectomy
- Different thoracoscopic surgery procedures: thoracoscopic esophagectomy – thoracoscopic excision of mediastinal masses
- Different upper and lower endoscopic procedures (diagnostic – biopsy – stent insertion – balloon dilatation – injection – band ligation- endoscopic mucosal resection)
- Different oncological surgical procedures and reconstructive surgery as breast surgery and breast reconstruction, thyroidectomy and block neck dissection
etc.

PUBLISHED PAPERS:

- 1- Haplotyping of PD-1 Polymorphisms in Egyptian Patients with Colorectal Cancer: A Case-Control Study. Shimaa M. El-Beah, Dalia Shaalan, Adel Fathi , Shaimaa M Yussif. Bull. Egypt. Soc. Physiol. Sci. Vol. (42), issue (4), 359-372. DOI: 10.21608/BESPS.2022.142802.1125
- 2- Laparoscopic hysterectomy in morbidly obese patients. Adel Fathi, Khaled Gaballa, Mosab Shetiwy, Amr Abouzid. Surg Chron 2022; 27(4): 466-470.
- 3- Laparoscopically Harvested Omental Flap for Immediate Total Breast Reconstruction; Lessons Learnt Through Ten-Year Experience in a Tertiary Oncology Center. Ashraf Kahter , Hosam Ghazy,

Ahmed Setit, Nazem Shams, Omnia Gohar, Khaled Abdelwahab, Osama Eldamshety, and Adel Fathi. Surgical Innovation. 2022;0(0). doi:10.1177/15533506221120149

4- A Prospective Randomized Study Comparing Total Laparoscopic Hysterectomy (TLH) Versus Minilaparotomy Hysterectomy (MLH) for benign Uterine Disorders in a Low-Resource Setting: Peri-Operative Outcome. Mahmoud Mohamed Awad; **Adel Fathi Mohamed**; Hossam Elsayed Gouda; Yousef Omar Aboelkhir; Tarek Shokeir; Mohamed Sayed Abdelhafez. DOI: 10.21608/EBWHJ.2021.70890.1132

5- Operative Outcomes of Single-Incision Laparoscopic Hysterectomy vs Conventional Laparoscopic Total Hysterectomy: A Prospective Randomized Controlled Study.

Adel Fathi, Mahmoud M. Saleh, Mosab Shetiwy, IslamA. Elzahaby, Omar Farouk, Nazem Shams, Mohamed F. Elghandour, and Amr Abouzid. Surgical Innovation 2021, Vol. 0(0) 1–10. DOI: 10.1177/15533506211041892

6- Laparoscopic Partial Gastrectomy for Large Gastric GISTs. Amr Abouzid, MD, PhD, and Ahmed Setit, MD, PhD , **Adel Fathi, MD, PhD**, Mosab Shetiwy, MRCS, MD, PhD. Journal of Gastrointestinal Cancer. June 2021, DOI: 10.1007/s12029-021-00658-2

7- Safety and Efficacy of Using Staplers and Vessel Sealing Devices for Laparoscopic Splenectomy: A Randomized Controlled Trial. **Adel Fathi, MD, PhD**, Mansour Elmoatasembellah, MSc, Ahmed Senbel, MD, PhD, Fayez Shahatto, MD, PhD, Osama Eldamshety, MD, PhD, Mosab Shetiwy, MRCS, MD, PhD, Khaled Abdel Wahab, MD, PhD, Amr Abouzid, MD, PhD, and Ahmed Setit, MD, PhD. Surgical Innovation 2020, Vol. 0(0) 1–6. DOI: 10.1177/1553350620953023

8- Short-Term Surgical Outcomes of Standard and Lateral Video Endoscopic Inguinal Lymphadenectomy: A Multinational Retrospective Study. Saleh S Elbalka, Anis Taha, Chanduri Srinivas, Mohamed AF Hegazy, Sherif Z kotb, Waleed Elnahas, Omar Farouk, Islam H Metwally, Islam A Elzahaby, Khaled Abdelwahab, **Adel Fathi**, Marcos Tobias-Machado, Sandeep Peraje Nayak. January 2019, Journal of Laparoendoscopic & Advanced Surgical Techniques

- 9- Early and late functional outcomes of anal sphincter sparing procedures (SSP) with total mesorectal excision (TME) for anorectal adenocarcinoma. Osama Eldamshety, Sherif Kotb, Ashraf Khater, Waleed Elnahas , Sameh Roshdy, Mohamed S. Zahi, Hend M. H. Rashed Elkalla, Omar Farouk, Ahmed Senbel, **Adel Fathi**, Emad-Eldeen Hamed, Khaled Abdelwahab, Islam A. Elzahby, Ahmed abdallah, Mahmoud Abdelaziz, Emanuele Lezoche. January 2019, Annals of Coloproctology In press
- 10- A New Concept of Interval TRAM for Immediate Breast Reconstruction in Obese Women. Ashraf Khater, EmadEldeen Hamed, Sameh Roshdy, Waleed Elnahas, Omar Farouk, Ahmed Senbel, **Adel Fathi**, Osama Eldamshety, Ahmed Abdallah. Indian Journal of Surgical Oncology. <https://doi.org/10.1007/s13193-018-0866-z>
- 11- Endoscopic Thyroidectomy Using the Unilateral Axillo-breast Approach Versus the Modified Anterior Chest Wall Approach: A Prospective Comparative Study. EDITED BOOKS:

Ashraf Khater, **Adel Fathi** and Hosam Ghazy (April 18th 2018). Omental Flap in Breast Reconstruction, Issues in Flap Surgery Sherif Amr, IntechOpen, DOI: 10.5772/intechopen.70115. Available from: <https://www.intechopen.com/books/issues-in-flap-surgery/omental-flap-in-breast-reconstruction>.

SCIENTIFIC SUPERVISION:

Master

1. Single-incision laparoscopic hysterectomy versus conventional laparoscopy: A comparative study. Thesis form for Master Degree in Surgery (21/2/2106) (Investigator: Mahmoud Mostafa Mohamed Saleh)
2. Role of MRI in Evaluation of Parotid Masses. Thesis form for Master Degree in Radiology (23/8/2105) (Investigator: Ahmed Atef El taby)
3. The use of micro-punch graft in reconstructive surgery. Thesis form for Master Degree in Surgery. (14/07/2019) (Investigator: Aya Mohamed Samy)
4. Total breast reconstruction using synthetic implants covered by thoraco-dorsal perforator flap (TDAP) Thesis form for Master Degree in Surgery. (4/2/2019) (Investigator: Ahmed Mohamed Fathi)

MD:

1. A prospective randomized study comparing total laparoscopic hysterectomy (TLH) versus minilaparotomy (mini-lap hysterectomy) for benign uterine disorders: Peri-operative outcome. Thesis form for M.D. in of Obstetrics and Gynecology. (17/01/2017) (Investigator: Mahmoud Mohamed Mohamed Awad)
2. Is elective dissection necessary for management of early head and neck squamous cell carcinoma? Thesis form for M.D. in Surgery. (21/06/2017) (Investigator: Mohamed Ezzat Almahdy)

3- Evaluation of Pedicled Laparoscopically Harvested Omental Flap in Immediate Breast Reconstruction. Thesis form for M.D. in Surgery. (28/8/2016) (Investigator: Omnia Ali Hassan)

SCIENTIFIC Committee:

- 1- Early outcome after hepatectomy for hepatocellular carcinoma” A retrospective study. Thesis form for Master Degree in Surgery. (2020) (Investigator: Mahmod Nabwy Mohamed)
- 2- Oncologic & aesthetic outcomes of oncoplastic breast surgery for medially located breast tumors. Thesis form for Master Degree in Surgery. (2019) (Investigator: Ahmed Atef)

CONFERENCES / SEMINARS/ TRAINING COURSES ATTENDED:

- Managing complex cases in gynecological surgery 28-29 February, 2020 ALEXEA – Alexandria – Egypt **(13 AACME hours)**
- Building conference in laparoscopic colorectal surgery 11-13 October 2019 Amman Jordan
- 20th annual conference of the Egyptian group of colon and rectal surgeons 25-27 July, 2019 – Cairo – Egypt **(14 European CME credits)**
- Annual congress of National cancer institute (NCI) Cairo University in Egypt 8-10 November 2017
- Laparoscopic colorectal surgery advanced course in IRCAD in university of Strasbourg from 2/11/2017 to 4/11/2017 **(15 European CME credits)**
- 25th International congress of the European Association for endoscopic surgery (EAES) 14-17 June 2017 Frankfurt am Main, Germany.

- Physician education program by Prof. Lacy at the hospital clinic of Barcelona on November 14th & 15th 2016 about new approach in colorectal surgery: transanal total mesorectal excision (taTME)
- The first African cancer congress and the 6th international conference of oncology center Mansoura University in Cairo – Egypt (5-7 May, 2016)
- The 34th Annual meeting of Egyptian Society of Surgeons in Cairo – Egypt (13-15 April, 2016) (Accredited by ACME of **20.50** hours)
- ESSO Hands-on course on minimally invasive gasterctomy and esophagectomy in Utrecht (NL) from 17-18 March 2016 (Accredited by EACCME of **10** European CME credit)
- The 8th hepatology and gastroenterology postgraduate course and 17th Egyptian workshop on Therapeutic endoscopy in Cairo – Egypt (10-13 December 2015) (Accredited by EAC CME of **24** European CME credit)
- The 1st annual conference of Meet-Ghamr Oncology Center (MGOC) and 2nd annual conference of Mansoura Oncology Association (MOA) in Cairo – Egypt (17-18 September, 2015)
- Transanal Endoscopic workshop training in Alexandria Endoscopy Association Training Center (ALEXEA) in Alexandria, Egypt. (1-2 September, 2015) (Accredited by AACME of **14.50** hours of category I credit)
- Breast & pathology course (Pathologist, surgeon and oncologist: Hand in Hand) organized by the Mansoura Oncology Association in collaboration with the Royal College of Pathologists, Pathology society Understanding Disease and Pathology department in Mansoura faculty of Medicine (30-31 July , 2015) (Accredited by Continuing Professional Development (CPD) of **10** credits)
- The 12th international congress and workshop of Egyptian Society of laparoscopic surgery (ESLS) and 10th winter meeting of Mediterranean and Middle Eastern Endoscopic Surgery Association (MMESA) in collaboration with

Egyptian Society of Metabolic and Bariatric Surgery (ESMBS) in Cairo – Egypt (26-28 February, 2015)

- The 7th BGICC (Breast – Gynecological International Cancer Conference) and participated in ESMO (European Society for Medical Oncology) supported meeting in Cairo – Egypt (15-16 January, 2015) (accredited with **16** ESMO-MORA category 1 points)

- Diploma course in minimal access surgery (D.MAS) in world laparoscopy hospital, Gurgaon, India. (1st to 28th November, 2014) (Accredited by CME of **144** hours)

- Upper GI endoscopy training course in world laparoscopy hospital, Gurgaon, Haryana, India. (24th November, 2014)

- Da Vinci surgical system training course in world laparoscopy hospital, Gurgaon, Haryana, India. (26th November, 2014)

- Upper and lower GIT endoscopy workshop training in Alexandria Endoscopy Association Training Center (ALEXEA) in Alexandria, Egypt. (13-14 September, 2014) (Accredited by AACME of **9.50** hours of category I credit)

- Advanced laparoscopy – Skill training in George Berci surgical training and research laboratory, department of surgical research and techniques, Semmelweis University, Budapest, Hungary (21- May, 2014)

- The 11th international congress and workshop of Egyptian Society of laparoscopic surgery (ESLS) and 13th annual meeting of Mediterranean and Middle Eastern Endoscopic Surgery Association (MMESA) and Egyptian Society of Surgeons (ESS) in collaboration with Egyptian Society of Metabolic and Bariatric Surgery (ESMBS) in Berlin University – Hurghada – Egypt (7-9 May, 2014)

- The 6th BGICC (Breast – Gynecological International Cancer Conference) in Cairo – Egypt (9-10 January, 2014) and achieved **13** ESMO-MORA category 1 points
- Training course on laparoscopic general surgery intensive course in IRCAD (**30** European CME credits) – University of Strasbourg, France. (1/7/2013 – 5/7/2013)
- Training course on basic and introduction to advanced laparoscopic skills (hand on training and operative demonstration) in Banha university – Egypt (April 8, 2013)
- Training course on minimally invasive operating techniques in general surgery in The Learning Resource Center (LRC) Cairo University, Egypt, (17-19 December, 2012)
- The 3rd international training course in Endo urology & urologic laparoscopy in urology and nephrology center, Mansoura University, Egypt, (26-28 December, 2010)
- Workshop on advanced laparoscopic surgery arranged by Egyptian group of laparoscopic surgeons in Mansoura gastroenterology surgery center, Egypt. (17-18 February, 2008)
- Workshop on updates of surgical management of breast cancer in Oncology center, Mansoura University, Egypt (4-5 May, 2013)
- The first annual conference of MERC (Medical Experimental Research Center) on stem cell and regenerative medicine, Egypt (8th April, 2010)
- Third workshop and live transmission on advanced laparoscopic and digestive procedures in Mansoura gastroenterology surgery center in collaboration with Egyptian society of surgeons, Egypt (22-23 May, 2007)
- Fourth international oncology conference in collaboration with EGSSO (Female malignancies), in Sharm Elshikh, Egypt (7-10 July, 2007)

- Third international oncology conference in collaboration with EGSSO (towards better quality of life for cancer patients), in Sharm Elshikh, Egypt (6-9 September, 2006)
- Second international oncology conference in collaboration with EGSSO, in Sharm Elshikh, Egypt (8-11 September, 2005)
- Seminar on together against cancer awareness and prevention in Oncology center, Mansoura University, Egypt. (12 April, 2007)
- Scientific meeting on cancer prevention day in Oncology center, Mansoura University, Egypt. (16 May, 2012)

SPEAKERS IN SCIENTIFIC CONFERENCES:

- The 16th Annual international conference of obstetrics and gynecology departments – Faculty of medicine Al-Azhar university (AZOGIC) (laparoscopic radical hysterectomy – Tips and Tricks) (12-13 April 2018)
- The 16th annual meeting of the Egyptian Society of surgical oncology (EGOO) in Cairo – Egypt (Single port laparoscopic hysterectomy – Laparoscopic pelvic lymphadenectomy) (30-31 march 2017)
- The 1st advanced GIT laparoscopy workshop provided by Egyptian liver hospital, surgery department, Mansoura - Egypt (Tips and Tricks of laparoscopic splenectomy) (9-12 January 2017)
- The 34th Annual meeting of Egyptian Society of Surgeons in Cairo – Egypt (Surgical outcomes of minimally invasive total esophagectomy with gastric tube reconstruction: single center experience from Egypt) (13-15 April, 2016)
- The 13th international congress and workshop of Egyptian Society of laparoscopic surgery (ESLS) and 11th winter meeting of Mediterranean and

Middle Eastern Endoscopic Surgery Association (MMESA) in collaboration with Egyptian Society of Metabolic and Bariatric Surgery (ESMBS) in Cairo – Egypt (Surgical outcomes of minimally invasive total esophagectomy with gastric tube reconstruction: single center experience from Egypt) (18-20 February, 2016)

- XXI FIGO World Congress of gynecological and obstetrics in Vancouver, Canada (Feasibility of laparoscopic myomectomy in huge subserous myomas)

Abstract No. 0333 (4-9 October, 2015)

- The 49th International congress of European Society for Surgical Research (ESSR) in Budapest, Hungary (21-24 May 2014)

- The 5th international conference of oncology center Mansoura University (OCMU) (Integrated care for cancer patients) in Cairo, Egypt (8-11 April 2015)

Scientific and Educational Courses:

- Coordinator and trainer in laparoscopy hysterectomy workshop in oncology center- Mansoura university (OCMU) (from simple to radical) ACME accredited (19hr) (28-30 August, 2018)

- Coordinator and trainer in 2nd laparoscopy workshop in oncology center- Mansoura university (OCMU) (from basics to advanced) ACME accredited (32.30 hr) (6-10 November, 2016)

- Coordinator and trainer in laparoscopy workshop in oncology center- Mansoura university (OCMU) (from basics to advanced) ACME accredited (31.75 hr) (26-30 April, 2015)

SCIENTIFIC SOCIETY MEMBERSHIP:

- Society of American Gastrointestinal and Endoscopic Surgeons (SAGES) (February 10, 2015)

- European Association for Endoscopic Surgery (E.A.E.S) (January, 2015)

- Egyptian Society of laparoscopic surgery (ESLS) (March, 2015)

- The European Society of Surgical Oncology (ESSO) (September, 2015)
- Egyptian Society of Surgical Oncology (EGSSO)
- World association of Laparoscopic surgeons (WALS) (November, 2014)
- Egyptian society of surgeons (ESS) (2015)
